

WORKSHEET

This routine is performed during weeks 1, 2, 3, 9, and 11. Use the spaces provided for each exercise to record the number of reps performed and, when using dumbbells, the weight lifted. If using a band, indicate its color along with the number of reps performed. This is a "repeat" workout, so for each exercise use the top line for the first round and the bottom line for the second round.

WORKSHEET

This routine is performed every week that is not a Recovery week. Use the spaces provided for each exercise to record the number of reps performed. If using a band as a substitute for a pull-up bar, indicate its color along with your rep count. Each pull-up exercise in this workout is performed twice, so for each exercise use the top line for the first round and the bottom line for the second round. While this workout consists of both leg and pull-up exercises, we would like you to record the number of reps you performed for JUST THE PULL-UP EXERCISES.
